EXECUTIVE SUMMARY

Gofah Technologies Ltd is pleased to submit this proposal for **School Management / Online Result Processing Software** for your school. It is our understanding that in a digital age like ours, students prefer to assess their results technologically. Parents want to assess their wards academic report at their convenience via their mobile gadgets, while school managements also want an e-data storage that is not susceptible to physical damage and that can be assessed at anywhere and anytime.

Our company combines strategic approaches and emerging technologies that meet global educational standards to provide innovative solutions that consistently break new grounds for our clients. We welcome the opportunity to work with you on this exciting project that will give you an online presence in the global online space. With a well documented track record on budget and on deadline, we implore you to accept our proposal.

ABOUT THE SUPERGRADER SOFTWARE

The Supergrader Software is Nigeria's No 1 School Management and Online Result Processing Software that provides real solutions to the urgent need of the 21st Century Electronic Administration and Management. It is very efficient in managing students' records and other vital academic data,

School administrators will find the software very convenient and flexible. Students and parents alike will equally get acquainted with its multi-features. The Supergrader Software is designed for Public and Private Schools and for all levels of education (Nursery, Primary, Secondary and Tertiary).

NERDC ENDORSED

Due of its professionalism, flexibility and versatility, the Supergrader Software has been endorsed by the **Nigerian Educational Research and Development Council (NERDC)** as the most efficient *Electronic-Result Processing Software* in Nigeria (2019).

10 OUTSTANDING FEATURES OF OUR PORTAL

1. **Robust Performance and Operational Speed:** The Supergrader Software processes data, error-free and with the speed of light.
2. **Cheap Scratch Cards:** Our scratch cards each term are the cheapest compared to others. The school can make commission per card sold.

- 3. **Report Sheets:** Reports Sheets generated are standard, with the school logo, stamp and student’s passport photograph. Reports sheets can be exported to PDF or transmitted by email or SMS to parents.
- 4. **Multiple Users:** Since the portal allows for multiple user accounts creation, there is provision for each teacher to login and enter their students’ scores independently
- 5. **Quick Delivery of Termly Results:** Within one week after students’ examinations are over, the results are ready online for students to assess, download or print.
- 6. **Mobile Responsiveness:** The Supergrader Software is 100% mobile responsive. Staff and students alike can login to the portal and assess its features via their mobile gadgets .
- 7. **Biometric Attendance:** There is option for staff biometric attendance in the portal.
- 8. **Online Attendance Marking:** Form Teachers can mark students/pupils attendance right in the portal, rather than the booklet register
- 9. **Online Learning/CBT:** Students can learn online and as well take E-tests and exams
- 10. **Fee Payment Tracking and Receipts:** Via the portal, the school financial manager can track every fee payment and as well generate receipts for each payment made.
